

**MEMORANDUM OF UNDERSTANDING BETWEEN
THE UNIVERSITY OF NOTTINGHAM, UNITED KINGDOM, CHINA AND
MALAYSIA**

AND

THE UNIVERSITY OF BRAWIJAYA, INDONESIA

This memorandum records the intention of The University of Nottingham and The University of Brawijaya to strengthen ties between the two institutions which might lead in future to the establishment of one or more partnership agreements for teaching or research collaboration.

This agreement applies to the University of Nottingham's campuses in the United Kingdom, China and Malaysia.

At present this agreement is made as a gesture of goodwill between the two institutions, which may see the development of links in the areas of:

- a) Co-ordination through their respective offices in joint or collaborative research projects, particularly between the faculties of Engineering in the area of renewable energy
- b) Exchange of documentation
- c) Learning and teaching, including the development of a programme leading to an award
- d) Exchange of members of the two parties

Additionally, the University of Nottingham agrees to consider on an individual basis the admission of students who have completed two years' study on undergraduate Engineering programmes at the University of Brawijaya for entry onto year two of its undergraduate Engineering programmes. Such students will be required to meet the standard entry requirements, including those related to English language proficiency.

Details of the implementation of any particular collaborative agreement leading to an award shall be negotiated between the two institutions as such specific cases arise. Such an agreement will be legitimised by the completion of a specific Memorandum of Agreement.

This agreement is subject to revision, renewal or cancellation by mutual consent and becomes effective upon completion of signature for a period of 5 years.
