MOA University of Koblenz –Brawijaya University

Dear Colleague,

please find attached two signed and stamped copies of the Memorandum of Agreement between our two institutions. The Mathematical Institute in Koblenz is looking forward to a fruitful cooperation in the near future.

With kind regards,

UNIVERSITÄT KOBLENZ-LANDAU
Campus Koblenz
Fachbereich 3: Mathematik/
Naturwissenschaften

A short outlook of upcoming events in Koblenz

22. November 2014 ISTRON Meeting on Didactics of Mathematics
December 2014 Kick-off Erasmus Program “MODCLIM” (Industrial Mathematics)
December 2014 Practical Experiments in Public Transport
– Joint Venture with Bundesliga Soccer Clubs
February 2015 ECMI Meeting, Educational Committee
October 2015 Start of Master Program “Mathematical Modeling of Complex Systems”
July-August 2016 Summer School “Mathematical Modeling”

MEMORANDUM OF AGREEMENT

BETWEEN

THE UNIVERSITY OF KOBLENZ-LANDAU, GERMANY

Through its Faculty of Mathematics and Natural Sciences at Koblenz campus

AND

BRAWIJAYA UNIVERSITY, MALANG, INDONESIA

Through its Faculty of Mathematics and Natural Sciences

In accordance with a mutual desire to start the scientific and technical interaction and collaboration between the University of Koblenz-Landau, Germany, and Brawijaya University, Indonesia, the two institutions agree to enter into this formal Memorandum of Agreement (MOA) for the purpose of scientific and cultural exchange.

Article 1

The two institutions have found it mutually beneficial to initiate cooperative activities in areas of mutual interest for the following purposes:

- a) Exchange of students and faculty for lecturing, advanced studies and research.
- b) Exchange of information, teaching materials, and other scientific literature.
- c) Executing joint activities in the field of mathematical modelling and educations
- d) Organization of joint compact course and workshops.
- e) Cooperation on other scientific and technological research as mutually agreed.

Article 2

The cooperation will initially cover the following scientific and technical areas:

- a) Faculty of Mathematics and Natural Sciences, Brawijaya University
- b) Department 3: Mathematics / Natural Sciences, University of Koblenz-Landau

Article 3

By signing this memorandum, neither of the universities accepts any kind of obligation to finance any activities of the exchange and cooperation out of their own budget funds, unless special funds are being made available for this purpose. Both contracting parties will do their best to find national and international financing possibilities for the envisaged activities.

Article 4

This Memorandum will become effective immediately upon the signatures of both University of Koblenz-Landau and Brawijaya University representatives and will remain in force for a period of five years. An extension beyond this date will require consultations between, and written approval by both partners at least six month prior to the expiration of this Memorandum of Agreement.
